## Minion Land Now Open at Universal Studios Florida

This past summer, Minion Land on Illumination Avenue officially opened at Universal Orlando Resort. Guests of all ages can now step into the beloved world of the Minions franchise like never before at Universal Studios Florida. Developed in partnership between Universal's award-winning creative team and the acclaimed filmmakers from Illumination, a whole new level of Minion mischief awaits in this vibrant new land.

Guests are welcomed to the land with a fun, photo-worthy "Minion Land" marquee featuring 22 Minions before embarking on

more mayhem that awaits along Illumination Ave., including the groundbreaking new attraction – Illumination's Villain-Con Minion Blast – where guests can blast their way to supervillain stardom. Guests can also savor tasty dishes at Minion Cafe, snack on banana-flavored popcorn at Pop-a-Nana, cool off with sweet treats at Freeze Ray Pops, shop exclusive Minion-inspired merchandise and goodies at Bake My Day and the Evil Stuff retail store, laugh alongside the Minions while experiencing absolute Mayhem at the beloved Despicable Me Minion Mayhem, and meet lots of fan-favorite characters along the way at Illumination Theater.

**Villain-Con Minion Blast** blends immersive sets, interactive game-based technology, and an original storyline for a first-of-its-kind attraction that puts guests' villainous skills to the test to see if they have what it takes to become a member of the Vicious 6 – a notorious group of supervillains from the hit film, "Minions: The Rise of Gru." Villain-Con Minion Blast is also the first Universal Orlando attraction to feature a connected gameplay experience via The Official Universal Orlando Resort App. By syncing their blaster to the app with just a tap, contenders can take their game to an entirely new level and track their scores, embark on special missions within the attraction, unlock evil perks and extra powerful blasts to help them gain more points and earn digital collectibles.

At the new Illumination's **Minion Cafe**, guests can expect an immersive new eatery that offers something for everyone in a highly entertaining dining experience that features three themed areas designed after beloved Minions Kevin, Stuart, Bob and Otto: the Kitchen, the Breakroom and the Dining Room. Guests can also enjoy their meal at the outdoor patio that overlooks the fun of Minion Land. Guests of all ages can enjoy inventive fare featuring nearly 20 items inspired by memorable characters and staples from the Minions franchise.

Topped with a massive pink cupcake that's visible from anywhere in Minion Land, **Bake My Day** is a whimsical retail location and bakery featuring a selection of Minion-themed sweet treats, including

cupcakes, macarons, s'mores and more, along with exclusive Minion-inspired merchandise like apparel, plush, drinkware, accessories, keychains and more.

The **Pop-a-Nana** walkup location features sweet and savory popcorn, including a special banana flavor, inspired by the Minions' love for bananas. Here, guests may also find an assortment of fun popcorn buckets, including the Disco Minion. Guests can cool off with a visit to **Freeze Ray Pops**, a walk-up window serving refreshingly colorful frozen treats inspired by Gru, the Minions and Vector.

Central Florida's first and longest running theme park is Gatorland, opened in 1949. Now known as the Alligator Capital of the World, it opened with a giant reptile touted as the "largest crocodile in the world" and many snakes.

Central Florida's NBA Team, the Orlando Magic, was almost called the Orlando Juice. By popular vote, "The Magic" won in a contest hosted by *The Orlando Sentinel*. Other name options included "The Heat" and "The Tropics".

Central Florida has hundreds of lakes, many of which are the result of sinkholes. Lake Rose in Winter Park is a sinkhole which formed in 1981, swallowing a home, a Porsche dealership and several other businesses.

Notable Orlando resident and Air Force Command Pilot Joe Kittinger was the first person to cross the Atlantic Ocean alone by gas hot air balloon.

Many famous movies have been shot in Orlando including *Lethal Weapon 3*, a film that includes a scene of the explosion of Orlando's City Hall, which helped fund the cost of its demolition. Other films produced in Orlando include *Sharknado 3*, *Apollo 13*, *Waterboy*, *Jaws* and *Sisters*.

Central Florida is known as the Lightning Capital of America due to the number of fatal hits as well as the density of lightning strikes. Over 20 flashes per square mile occur every year.

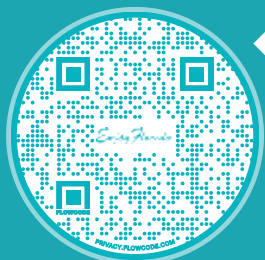

Walt Disney World estimates that, since 1971, a staggering 1.65 million pairs of sunglasses have been handed over to its lost and found department.

## All New Immersive Experience Opens at Pointe Orlando

Earth Illuminated, a new family-operated interactive attraction, takes you on a journey to see our home Earth in a whole new light.

Through the artful use of traditional practical effects, theatrical scenes and sets, as well as technology, you are invited to become a part of the art by immersing yourself in each scene and awakening your creative spirit so that you can see the Earth for the first time... again.

The creative team behind this attraction, the Webb Family and their team at Blazen Illuminations, want to inspire rejuvenation and creativity through nature.

The 40+ scenes of Earth Illuminated also keep the owners' commitment to the environment by incorporating recycled, reclaimed, reused and renewed materials throughout.

For more information and a special discount, see our ad on page 27.

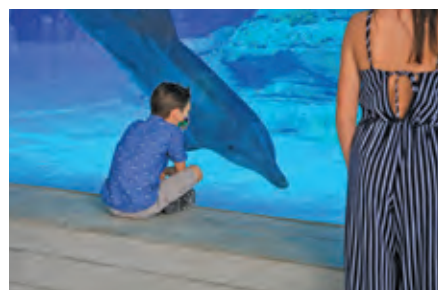

## Dedication Is Key at Clearwater Marine Aquarium

Clearwater Marine Aquarium is dedicated to the rescue, rehabilitation, and release of marine animals. Our mission is to preserve our environment while inspiring the human spirit through leadership and dedication to animal life, environmental education, research, and conservation.

Here, our rescued marine animals include dolphins, turtles, river otters, sharks and pelicans, who live at CMA to help educate visitors worldwide. At CMA, you can visit rescued sea turtles and learn about our sea turtle rescue team, who work every day to help locate and rescue endangered sea turtles that have been compromised by boat strikes, Red Tide, and other medical issues.

Our Clearwater Marine Aquarium Research Institute (CMARI) team is dedicated to the rescue, release, and tagging of manatees. We have played a crucial role in Florida and Georgia, as well as internationally in Belize, Cuba, and the Dominican Republic, with the tracking and rescue of these endangered marine animals.

Because of the critical situation with manatees, we are building a manatee critical care center here at our facility. Slated to open in 2024, this facility will allow us to assist in the rehabilitation and eventual release of these majestic animals. The CMARI team has embarked on decades of research on manatees, right whales, rice's whales, and more. See our ad on page 7 for more details.

## One Day in Orlando's Best Theme Parks

From thrilling rides to enchanting settings, there's something for everyone and every age group at Orlando's theme parks. Explore the whimsical wonder of Disney, get lost in the otherworldly experiences of Universal, or discover the wonders of the deep at SeaWorld. No matter what your choice, a day in Orlando promises adventure, excitement, and memories that will last a lifetime.

### Walt Disney World Resort

If you only have one day at Disney World, your best bet is to spend it in the iconic Magic Kingdom park. Stepping into Magic Kingdom is like entering into a world of pure enchantment. With its towering castle, vibrant parades, and beloved characters, it's a place where dreams come to life. A day in Magic Kingdom is filled with endless possibilities, from spinning on the Mad Tea Party ride to taking a leisurely cruise through "It's a Small World". The bravest guests can take on the thrill rides like Space Mountain and Splash Mountain, while those seeking a more relaxed experience can explore the shops and eateries on Main Street, U.S.A. Stay in the park until close for the fireworks, or finish up your day with dinner at one of Disney Springs' famous restaurants.

### SeaWorld Orlando

Start your day off right at SeaWorld Orlando, where you can immerse yourself in the wonders of the ocean. Witness majestic marine animals up close, from playful dolphins to awe-inspiring orcas. Thrilling drops, heart-stopping turns, and screams of excitement can all be found on the roller coasters at SeaWorld. From the electrifying Mako coaster to the Kraken Unleashed, there's no shortage of adrenaline-pumping fun to be had. After a half day of fun at SeaWorld, you can head over to Aquatica Water Park to cool off and take on thrilling water slides and rides.

### Universal Orlando Resort

If you only have one day at Universal, you may want to spend it in the Islands of Adventure park. This park is the most packed with things to explore, where you'll find yourself immersed in a world of wonder. Journey to Hogwarts and experience the Wizarding World of Harry Potter. If you're seeking a more adrenaline-fueled adventure, strap yourself in for a ride on the Incredible Hulk Coaster or take a plunge down the Jurassic Park River Adventure.

### Legoland Florida Resort

If you have kids, there's no better option than Legoland Florida, but since the park is about an hour from Orlando, you'll need to get an early start. One of the bonuses of this remote location is that it brings you closer to another great park, Peppa Pig Theme Park. With over 50 rides, shows, and attractions, Legoland features many beloved Lego characters and themed areas, including Lego City, Pirate's Cove, and Ninjago World. And let's not forget about the water park – with attractions like the Build-A-Raft River you can beat the heat while making a splash.

### Kennedy Space Center

If you're willing to drive about 45 minutes east, a fantastic option is waiting along the coast. Exploring the Kennedy Space Center Visitor Complex is a must-do for any space enthusiast. This educational theme park offers a unique opportunity to learn about the history of space travel, see rockets up close, and even take a ride in a space simulator. Get a startlingly close view of the Atlantis Space Shuttle.

## TRAVEL SAFETY TIPS

- Do not display large amounts of money. Place small amounts in different pockets, or use credit cards or traveler's checks.
- Make copies of your credit cards front and back, and place them in a secured place with your records (room safe). This can be useful if you need to report a lost or stolen card.
- When you return to your hotel, use the main entrance.
- Be wary of solicitors.
- Use reputable places of business for all your transactions.
- Travel in pairs or in groups when possible.
- Always have a meeting place for your children to meet you if separated.
- Small children should always be lead by the hand near busy streets.
- Small children should have their name and phone number marked on their clothes label or the inside of a shoe.
- Use sidewalks and pedestrian crossings.

Florida uses 10-digit dialing, so remember to dial the area code first, then the number.
