Thrill Rides & Exciting New Attractions at LEGOLAND® Florida Resort

LEGOLAND® Florida Resort is the ultimate destination for families looking for adventure and creativity. From adrenaline-pumping roller coasters to jaw-dropping underwater exhibits, there's so much to explore. Whether you're a LEGO® fanatic, a thrill-seeker, or just a parent looking for fun ways to entertain your kids, this park has something for everyone. Here's what you can look forward to on your next visit.

Heart-Pounding Rides for LEGO® Lovers

Calling all adrenaline junkies! LEGOLAND® Florida Resort isn't just about building and imagination; it's about experiencing those creations come to life in the most thrilling way possible. With rides and attractions designed for both kids and their parents, it's the perfect place for family-friendly fun with a side of heart-pounding excitement.

Start by boarding **The Dragon**, a family-friendly roller coaster that takes you through a medieval castle filled with impressive LEGO® scenes before launching into twists, turns, and drops that will leave everyone grinning from ear to ear. Younger kiddos can enjoy the gentler twists of the **Dragon's Apprentice**, a mini version just for them!

But if you're looking for a one-of-a-kind experience, make sure to check out **The Great LEGO® Race**. This thrilling roller coaster immerses riders in a high-speed competition against LEGO® characters. With its competing rally car design, you'll dodge obstacles, zoom through brick-built landscapes, and feel like you're part of an epic LEGO®-themed race. It's a standout attraction that's sure to wow both families and thrill-seekers!

New Adventures Await: Fresh Attractions to Explore

LEGOLAND® Florida Resort is constantly evolving, adding new attractions that make every visit a fresh experience. Whether it's your first time or your tenth visit, you'll always find something new and exciting waiting for you.

One of the most talked-about new experiences has to be **Pirate River Quest**. This lively boat ride sends you and your crew on a treasure-hunting adventure led by an animatronic cast of LEGO® pirates and animals. Along the way, you'll solve puzzles, dodge crafty alligators, and maybe even stumble upon the legendary lost treasure of Captain Redbeard!

Another standout is **Miniland USA**, where you can marvel at gigantic LEGO® recreations of iconic American cities and landmarks. The attention to detail is mind-blowing, and it's a great way for kids to spot familiar places while grown-ups appreciate the jaw-dropping craftsmanship.

Underwater Wonders at the SEA LIFE Florida Aquarium

Just when you thought LEGOLAND® Florida Resort couldn't get better, they introduce an all-new attraction that takes you below sea level. The **SEA LIFE Florida Aquarium** is a must-visit for every ocean enthusiast, whether you're five years old or fifty.

This state-of-the-art aquarium is home to thousands of marine creatures, from rainbow-colored tropical fish to graceful rays, playful sea turtles, and even mesmerizing jellyfish. One of its standout features is the 180-degree underwater tunnel. Walk through and feel like you're strolling right through an ocean as sharks and rays glide above and around you.

For children, the aquarium offers plenty of hands-on learning opportunities. Interactive touch pools give them a chance to feel real starfish and other marine creatures, while engaging exhibits teach them about underwater habitats in a fun, approachable way.

Conservation is at the heart of **SEA LIFE**, and they do an excellent job of showing families how they can help protect our oceans.

Whether you're exploring the coral reefs or standing face-to-face with the fascinating sea creatures, the **SEA LIFE Florida Aquarium** seamlessly mixes education with entertainment, making it a perfect addition to your LEGOLAND® adventure. Visit legoland.com/florida for more info.

Swimming Safety Tips on Your Family Vacation

A vacation is all about sunshine, water, and making unforgettable memories. Whether you're at a resort pool, a water park, or even the ocean, safety should always come first. Start by setting clear rules for your kids. Teach them to *never swim alone*, even in shallow areas, and make it a habit to keep an adult nearby.

Pools can get busy, so remind children to avoid running on slippery surfaces and use designated play zones. At water parks, go over any *height, age, or swimming ability requirements* for slides and attractions to keep the fun mishap-free.

If your family is heading to the beach, take a moment to review ocean safety. Explain the *dangers of riptides* and the importance of swimming in designated areas where lifeguards are present. Show your kids how to identify a rip current and teach them to stay calm and

float if caught in one, signaling for help instead of trying to swim against it. Avoid swimming at dawn or dusk to *reduce the risk of shark encounters*, and always heed local beach warning flags or signs. Also, be aware of the *dangers of lightning* and leave the water immediately if you hear thunder or see a storm approaching to ensure everyone stays safe.

Keep an eye on hydration, as kids often forget to drink enough water while they're having fun. Apply sunscreen generously and reapply it often to prevent sunburn. For younger kids, always use *Coast Guard-approved flotation devices*. Remind your children of the buddy system and encourage them to speak up if they're feeling tired or overwhelmed in the water. With these simple precautions, you can enjoy a safe and joyful Florida adventure your family will cherish forever.

Central Florida's first and longest running theme park is Gatorland, opened in 1949. Now known as the Alligator Capital of the World, it opened with a giant reptile touted as the "largest crocodile in the world" and many snakes.

Central Florida's NBA Team, the Orlando Magic, was almost called the Orlando Juice. By popular vote, "The Magic" won in a contest hosted by *The Orlando Sentinel*. Other name options included "The Heat" and "The Tropics".

Central Florida has hundreds of lakes, many of which are the result of sinkholes. Lake Rose in Winter Park is a sinkhole which formed in 1981, swallowing a home, a Porsche dealership and several other businesses.

Notable Orlando resident and Air Force Command Pilot Joe Kittinger was the first person to cross the Atlantic Ocean alone by gas hot air balloon.

Many famous movies have been shot in Orlando including *Lethal Weapon 3*, a film that includes a scene of the explosion of Orlando's City Hall, which helped fund the cost of its demolition. Other films produced in Orlando include *Sharknado 3*, *Apollo 13*, *Waterboy*, *Jaws* and *Sisters*.

Central Florida is known as the Lightning Capital of America due to the number of fatal hits as well as the density of lightning strikes. Over 20 flashes per square mile occur every year.

Walt Disney World estimates that, since 1971, a staggering 1.65 million pairs of sunglasses have been handed over to its lost and found department.

New Central Florida Flavors

The Orlando area's dining scene continues to grow, offering an exciting mix of flavors for foodies and locals alike. Two standout spots that have won hearts across Central Florida are **San Jose's** and **Portillo's**. With multiple locations and menus packed with unique, mouthwatering options, these dining destinations are quickly becoming local favorites. Whether you're craving authentic Mexican cuisine or Chicago-style fast food, these restaurants have you covered.

San Jose's Original Mexican

San Jose's combines vibrant, authentic Mexican flavors with a casual and welcoming atmosphere. With locations spread across Central Florida, it's become a go-to for anyone seeking a taste of Mexico right here in town.

San Jose's is a family-friendly spot where regulars rave about the warm service and generous portions. It's the kind of place where local diners feel right at home. See their ad on page 37.

Portillo's

Straight from Chicago, Portillo's has brought a slice of Windy City food culture to Central Florida. With its retro diner vibes and menu of crave-worthy comfort food, their locations delight Orlando locals and visitors alike.

Portillo's offers more than just iconic food; it's an experience. The lively ambiance, nostalgic design, and consistent quality have made it a top choice for families, friends, and anyone craving a hearty meal. See their ad on page 41.

Whether you're in the mood for sizzling Mexican dishes or indulgent comfort food, **San Jose's** and **Portillo's** promise satisfying meals that celebrate flavor, freshness, and fun. Add these spots to your dining rotation and experience firsthand why they're loved by locals.

How to Keep Florida Beautiful While You're Here

Florida's sunny beaches, charming towns, and natural wonders attract millions of visitors each year. While you're here soaking up the sunshine and experiencing the magic of the state, it's easy to give back and keep Florida beautiful for generations to come.

Helping with Litter

One simple way to contribute is by helping to pick up litter. Whether you're strolling on the beach, hiking a nature trail, or exploring city streets, take a moment to grab any trash you see and dispose of it properly. Many areas offer trash and recycling bins, so your small acts of kindness can make a big difference in maintaining Florida's pristine landscapes.

Recycling

Recycling is another big way you can help. When enjoying beverages, snacks, or meals, sort your disposables into recycling bins whenever available. Many Florida beaches and parks have clear signs making it easy to know what goes where. Consider bringing along your reusable water bottles, straws, or tote bags to minimize waste while traveling. Some local restaurants and attractions even have initiatives to reduce plastic and encourage recycling—that's your chance to support eco-friendly businesses! Small changes in your vacation habits can go a long way in keeping the state a model for environmental care.

Volunteering

Another rewarding way to make a difference is by volunteering during your visit. Many local organizations host beach and park clean-up days where you can join fellow nature enthusiasts in removing trash and debris. For a hands-on impact, consider participating in tree and garden planting events, which help beautify public spaces and restore natural habitats. These activities are not only fun, but they also allow you to connect with the local community and make memories while leaving Florida a little more beautiful. Check with local visitor centers to find opportunities near your destination.

Donating

Finally, if you're passionate about Florida's sustainability, you can support efforts to keep it clean by donating to organizations like **Keep Florida Beautiful**. This nonprofit works tirelessly to prevent litter, promote recycling, and educate communities on environmental conservation. For every dollar raised, more than \$8 worth of benefits flow back into Florida's local communities. Your contribution will help ensure that Florida's beaches, roadways, and natural spaces remain just as vibrant and inviting for your next visit. Make a difference today and leave an impact that lasts long after your vacation ends. For more information or to donate, visit keepfloridabeautiful.org.

- Make copies of your credit cards front and back, and place them in a secured place with your records (room safe). This can be useful if you need to report a lost or stolen card.
- When you return to your hotel, use the main entrance.
- Be wary of solicitors.
- Use reputable places of business for all your transactions.
- Travel in pairs or in groups when possible.
- Always have a meeting place for your children to meet you if separated.
- Small children should always be lead by the hand near busy streets.
- Small children should have their name and phone number marked on their clothes label or the inside of a shoe.
- Use sidewalks and pedestrian crossings.

Florida uses 10-digit dialing, so remember to dial the area code first, then the number.
